## Growth . . .

When one thinks of spring he usually thinks of new growth and the transformation of the landscape. This year there is a new growth taking place on our campus.

Bricks, lumber, concrete, steel, and manpower make these "plants" mount upward. Two of the plants have already grown to their mature height, and the third, which will undoubtedly be the most elaborate, is just beginning to emerge

from its foundation.

One can hear the growth as well as see it. The rhythmic beat of hammers, the periodic drone of the power saws, and the "putt-putt" of earth movers are a few of the many busy noises surmounting those of nature.

To see these growing buildings and hear their sounds makes one feel proud to be a part of this growing campus, growing to meet the needs of a growing community.

—James Pierce

## The Stroller . . .

With the finals beginning May 17, next Saturday, the Stroller decided he was too busy to find out what "They're Talking About" on campus.

She can't even enjoy the roof of Residence Hall where, she has heard, the girls are quite serious in attempting to obtain sun tans. She has heard that they play cards, listen to radios, drink cokes, eat snacks, and study humanities notes—all the while rubbing on their backs gallons of sun tan oil.

One of the popular questions on campus is "Did you see Tom Moberry, shoes in hand, come dripping into the Library after his books?" It seems that Tom was taking a break from his studying and was on his way to the den for a coke when he was seized by Teke pledges who threw him into the College pond. Another question one might ask is—"Just what can Tom do in Chicago with only 50 cents?"

Teke pledges also captured Paul Roach, David Hansen, E. L. Reed, and Jim Tock recently, bound the boys, and took them in automobiles to the Alpha chapter house

at Bloomington, Illinois, where Tau Kappa Epsilon was founded. There the group enjoyed a lake party and other activities.

The Stroller for some reason is glad she cannot be a Teke though the fountains and gardens and floral displays at the Red Carnation Ball must have been beautiful. She is not quite ready for the boiled sparrow, roast rabbit, boiled shrimp, fried grasshoppers, buttered snails, caviar, and honeyed butterflies which Bill Morse, president, reports they had for refreshments.

The Stroller might not even like the high schoolish "rock and roll" sponsored by the Taus. The "invasion" of this fancy dance was successfully made. However, it must not have been too boring, as many were at work early the next morning!

It's a grand life if you don't weaken.

See YOU next year!

One Word More: Dr. Sterling Surrey, chairman of the Business Division, is in St. Mary's Hospital, Kansas City. Why not send him a card? or a letter?

## Has Been at Washburn

Turner has 8 years of successful head coaching experience on the high school level at Hoisington, Abilene, and Highland Park in Topeka. For the past three years he has been line coach under Head Mentor Richard Godlove at Washburn.

Turner has attended football clinics and coaching schools under such notable persons as George Sauer, Don Farout, Bud Wilkinson, Gomer Jones, Forrest Eversheski, Darrel Royle, Jack Mitchell, Red Saunders, Paul Bryant, Ray Elliott, Jim Tatum, Dutch Meyer and Fritz Crisler. Once again the athletic season for spring sports is drawing to a close. A look at the records of the athletic teams shows that NWMSC won more than its share of the various contests.

A bit of news which should be of interest to all students and area sports fans is that the contract for the new physical education building has been granted to a construction firm. A contract for work on the present swimming pool has also been granted.

Besides the varsity sports which NWMSC offers throughout the school year, there is also quite an extensive intramural program offered to those who are not participating in varsity sports. ## Anachronism?

Not really. 'Cause if Coke had been around in Caesar's day, Caesar would have treated himself to the sparkling good taste, the welcome lift of Coke! Caesar's motto—"I came, I saw, I conquered." Pretty good motto for Coke too—the prime favorite in over 100 countries today!
